No More Kin: Exploring Race, Class, and Gender in Family Networks (Understanding Families series)

Anne R. Roschelle

Many scholars and political analysts assume that thriving kin and non-kin social support networks continue to characterize minority family life. Policy recommendations based on these underlying assumptions may lead to the implementation of harmful social policy. **No More Kin** examines extended kinship networks among African American, Chicano and Puerto-Rican families in the United States, and provides an integrated theoretical framework for examining how the simultaneity of gender, race and class oppression affects minority family organization.
