They seem to be going in the right directions, though, and before long they're thinking about marriage, and discussing what comes after.

However, things are not always what they seem, and when Katelynn is presented with what appears to be proof that the man she loves is no better than the lowest scumbag, that he'd resort to terrible things to get what he wants, she decides that she was wrong about him, and chooses to take drastic action to end their relationship.
