## **Interview with the Author**

### **Q - So, what makes The Emily Heart Time Jumper Series special?**

A - It's a mix of things, really. When I set out to write these books, I wanted to create something that mirrored exactly the kind of books I like to read: something unexpected, a little shocking and definitely heart pounding. Time traveler stories have been done to death and so have genetic engineering sagas. But rarely have they been mixed together with a homeless teenage girl whose emotions can send her jumping randomly across time and space. Emily can't have friends, can't get involved or fall in love, and can't let her emotions get the best of her.

The Emily Heart Time Jumper Series of books are a great mix of several genres: time travel, romance, paranormal, young adult, and urban, with a few kick-you-in-the-teeth surprises that few readers see coming!

Overall, The Emily Heart Time Jumper Series is designed to keep you turning the pages - and I've made sure

there's never a dull moment. Judging by the reviews, I think I've accomplished my goals.

**Q - What order should I read the books in?**

A - I've written the series in several parts, each one as an episode or as some call it, short fiction. But you do want to read them in order starting with Part 1. Three parts are available now, with the final installment, Part 4, to be released in 2016.

**Q - So, why should readers give these books a try?**

A - Because The Emily Heart Time Jumper Series is a fast, fun, thrill-ride that takes no prisoners! Ultimately, readers who enjoy lightning-fast pacing with a plot that twists and turns all the way to the end will get one heck of a ride out of this very unique series.
