Lone Star Rising: The Revolutionary Birth of the Texas Republic

William C. Davis

Lone Star Rising: The Revolutionary Birth of the Texas Republic William C. Davis

In the whirlwind of revolutions in the Americas, the Texas Revolution stands at the confluence of northern and southern traditions. On the battlefield and in the political aftermath, settlers from the United States struggled with those who brought revolutionary ideas from Latin America and arms from Mexico. In the midst of the conflict stood the Tejanos who had made Texas home for generations.

This masterpiece of narrative and analysis, first published in hardback in 2004, brings the latest scholarship to bear on the oldest questions. Well-known characters such as Sam Houston, Stephen F. Austin, and General Santa Anna—and the cultures they represented—are etched in sharp and very human relief as they carve out the republic whose Lone Star rose in 1836 and changed the course of a continent.
