Understand the psychopath. Understand yourself.

This book is the second collection of writings from the insightful and popular blog, *Psychopaths and Love*. The essays go into more depth and detail to build upon the foundation of knowledge and self-discovery previously presented, in a unique and sometimes entertaining way.

It is divided into two sections. The first section, YOU, focuses on healing and on understanding what you experienced. The second section, THE PSYCHOPATH, focuses on understanding how the psychopathic mind works and how that can help you avoid being victimized again, or for the first time.

You can find the first collection of writings in the book, Psychopaths and Love.
