Self-Confidence...for Anyone Who's Ever Been Dumped Tony Richards

The only thing I can imagine that is worse than being dumped is the belief that we may never love again. Nobody should have to tolerate that belief because self-confidence allows us to love again, and again, and...

Life is seldom fair when it comes to the most powerful of our emotions, love. We can often desire others who don't feel the same way about us. At other times, although grateful for the opportunity to leave a hurtful relationship, we can still develop doubts over whether we will ever be loved by anyone else. Self-confidence provides the support, and positive self-image, that encourages those who have lost love to try again. Self-confidence also makes those who possess it very attractive to others. This book will provide, for anyone who's ever been heartbroken, a proven process to enhance self-image, and to re-gain, and maintain self-confidence forever. When you know how self-confidence works you have a great gift that offers unlimited potential for finding love again...
