Yankee Women: Gender Battles in the Civil War

Elizabeth D. Leonard

Yankee Women: Gender Battles in the Civil War Elizabeth D. Leonard

“Vivid. . . . *Yankee Woman* forms a valuable contribution to the study of a pivotal event in American history and credibly delves beneath the hagiographies to the messy politics of women’s involvement in what was for them a new arena of public life.” —Julie Wheelwright, *London Sunday Times*

Yankee Woman examines the experiences of women in the Civil War and, in particular, the lives of three courageous and independent women: one a frontline nurse, the second a community organizer, and the third the only woman to serve as a Union army surgeon in the war. Elizabeth Leonard’s in-depth research and her ability to spin a captivating tale combine to make *Yankee Woman* both a fascinating study of gender politics in society and a thoroughly absorbing story—the story of three women ahead of their time.
